

SEMINAR ON "CHALLENGES IN SHIPBUILDING AND THE ROLE OF NIRDESH", 18-19 JULY 2013.

A seminar on "Challenges in Shipbuilding and the Role of Niradesh" was conducted on 18,19 July 2013 at Calicut. The seminar, inaugurated by Vice Admiral Satish Soni, Flag Officer Commanding in Chief, Southern Naval Command, Kochi, was attended by a large gathering from Indian Navy, Indian Coast Guard, Shipyards, R&D Organisations, Academic Institutions, Industry and other stake holders in India's shipbuilding efforts. Deliberations were carried out through technical papers and panel discussions to identify gaps that currently exist in achieving self reliance in shipbuilding. Roles to be performed by Niradesh to fill such gaps have been thrown up in the deliberations. These roles will be guiding the roadmap of Niradesh.
